Youth Grant Program

CommUnity Zone is now debuting its Youth Grant Program in order to allow kids to make a difference in their local communities. In order to be eligible, you must be a school-aged student from Union County or Snyder County. Both groups and individuals can apply. There are just a few simple steps to apply to the program:

- 1. Come up with your own idea of how to help your community.**
- 2. Find our application at community-zone.org or at our local office (located at 417 Market Street, Lewisburg). Fill it out and schedule a meeting with us.**
- 3. Meet with us. Make sure a parent or guardian comes!**
- 4. Explore your ideas and create a goal.**
- 5. Meet with us again and then get started on your project!**

Use your imagination and get thinking!
